

MILKOR RIPPER 1200

FULL CABIN CONFIGURATION

The Milkor Ripper 1500 elevates RIB capabilities. It supports long patrols with a full cabin or carries up to 24 troops. With up to 4 outboard motors, it surpasses 55 knots, or with inboard diesel engines and waterjets, it operates in shallow waters with a 0.6m draught. Designed for power, versatility, and durability, it features anti-slip coatings, hard-wearing surfaces, lowered aft freeboard, and shock-resistant seating. Operating in sea state 5 with a 7-chamber tube, it's ideal for transport, patrol, inspection, and amphibious assault.

RIPPER 1500
