

MILKOR RIPPER 1200

TROOP CARRIER CONFIGURATION

The Milkor Ripper 1200 is designed to accommodate a full cabin or a crew of 14, with its lightship displacement at 5.5 tonnes and a modest draught of 0.5 meters. It is equipped with up to three outboard motors, providing both speed and agility, making it well-suited for operations in shallow coastal waters and capable of handling heavy seas up to sea state 4. This craft is versatile, ideal for tasks such as coastal and river patrol, troop carrying, monitoring, and surveillance among various other duties.
